

Top 7 Reasons To Use EWI's Research Library

1 You have 24/7 access

for do-it-yourself searches, requesting materials, and contacting a librarian through our Member Central website: ewi.org/welcome-members-central.

1300 documents available for immediate download.

2 Delegate searches to our expert librarians

who have access to information banks that go far beyond our online resources or internet searches.

Studies show that research professionals can save knowledge workers 9.5 hours of time per week.

3 Relevant global content

from our vast information resources. EWI subscribes to leading scientific databases. All told, we access thousands of technical reports and articles, millions of figures and tables, and much more to locate the information you need.

20 million abstracts accessible for search and retrieval by our librarians.

4 EWI's specialized literature collection

emphasizes information that is unique to welding and materials joining.
