# Innovating Industry Together: Tele-manufacturing

Location:  
Buffalo Manufacturing Works  
683 Northland Ave., Door E  
Buffalo, NY 14211

*RSVP here*

Join EWI experts on June 4th at our Buffalo Manufacturing Works laboratory for an exclusive technology demonstration highlighting the latest in **Tele-manufacturing**. Experience its evolution through a brief presentation, participate in hands-on demos, engage with our expert engineers to discuss its future impact, and explore additional breakthrough technologies developed at EWI.

Light appetizers and refreshments will be served.
